When planning an event, we understand that you need exceptional technical support. With a highly skilled and experienced team of project managers and technicians, high quality equipment and excellent value we are able to impress our clients time and time again.

From initial contact through to event end, you can always rest assured that we will deliver a professional service, with highly impressive results every time. Our aim is to ensure that your event exceeds your expectations and amazes your audience.

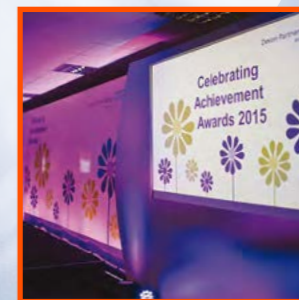

Corporate Events

LIVE EXPERIENCES THAT INSPIRE

Stage Engage provide exceptional technical services for corporate events of all types and sizes, tailored to suit you. Whether it is an awards dinner, product launch or party, we can assure you that every event we support will receive an unparalleled bespoke service to suit your exact requirements.

With many years of experience, we know how important it is that everything runs perfectly and looks amazing. Our expert project managers are professional and extremely creative and will ensure your event runs smoothly from beginning to end.

Product Launches

YOUR PRODUCT IN THE SPOTLIGHT

Stage Engage can provide creative and professional audio visual services for your product launch to ensure your event is as exciting and original as the product you are launching.

Whether launching a new product or promoting an existing one, we have the creative knowledge and experience to produce a dynamic event capturing audience attention, leaving a memorable impression and accommodating all budget levels.

With both decorative and functional lighting, innovative staging solutions, high powered projectors and LED screens and exceptionally high-quality sound systems, we can guarantee that your event wows your audience as much as your product will!

Live Events

SPECTACULAR EVENTS MADE TO AMAZE

Stage Engage provide imaginative bespoke technical solutions for live events, touring shows, festivals, fashion shows and concerts.

Organising a large event can be daunting, but our dedicated project managers can work closely with you to ensure that all elements of your event, from staging and rigging to pyrotechnics and PA, are within budget and fit your specifications.

Indoor or outdoor, big or small, we will use creative and innovative design to make your event truly original and supply full 3D visualizations beforehand to ensure that you are happy with the results!

Conferences

PROFESSIONAL SERVICE
AND INNOVATIVE SOLUTIONS

When it comes to audio visual production for your conference, you are in safe hands with Stage Engage. Let our years of experience supplying audio visual equipment and bespoke conference solutions for our clients reassure you that your event will run smoothly without a single technical hitch.

We can provide everything from animated stage backdrops to voting systems for any size audience.

Our highly experienced production team will work closely with you from the initial planning through to the final event. Dedicated project managers ensure you have a single point of contact who understands every aspect of your event down to the smallest detail. Whether you are holding a small regional meeting in a local venue or a large scale national AGM, our track record guarantees delivery of a successful production every time.

Exhibition & Demonstration Stages

ENGAGE YOUR AUDIENCE

When organising an exhibition or trade show, it is vital that you have exceptional support behind the scenes, running your stages and audio visual equipment, so that you can ensure the smooth running of the rest of your event.

Connect with your audience with live video. We can provide skilled camera operators and overhead cameras to ensure that your audience can see up close exactly what is being shown on stage in addition to staging, rigging, backdrops, lighting and sound.

With seamless video switching, high-definition projectors and professional quality PA systems you can ensure that your presenters, products and demonstrations are shown in crystal clarity, so that your audience won't miss a moment!

Venue Services

PROFESSIONAL & DEPENDABLE

Our venue services department is focused on supporting venues by providing audio visual services for meetings, conferences and events of all sizes. We maintain the highest level of professionalism, ensuring our venue partners peace of mind and excellent value for money.

Your clients have every right to expect the venue's technical team to offer the highest standard of equipment. We can liaise with your sales team and offer helpful advice to ensure a high quality service that ultimately leads to enhancing a venue's revenues.

We understand that our company represents your venue which is why all of our technicians and support staff are friendly, professional and knowledgeable and will ensure that your requirements are delivered, installed and collected on time and to your complete satisfaction.
